

UNACCOMPANIED MINORS

- When underage children travel internationally without one or both parents, the child must travel with a notarized letter from their unaccompanying parents.
- If either parent is deceased, the child is required to travel with a copy of the parent's death certificate.
- Each country has their own requirements for children traveling without both parents.

Contact Travel Professionals, 608-781-5008, for requirements for your destination and a sample letter.
